A strange place it was, that place where the world began. A place of incredible A place of incredible happenings, splendours and revelations, despairs like multitudinous pits of isolated hells.

Where the World Began - WordPress.com

the film version of Tomorrow When the War Began dismisses concerns that he has made the enemy Asian and that this feeds into present-day fears about national safety: "It's mass entertainment. It's a fictional story. It's meant to be a fun two hours at the movies."™ What do you think of this response to concerns about the view of the world offered by the film? NARRATIVE Narrative is word to ...
