A fascinating stroll down the education highway with an engaging author. My favorite parts concerned the curricula found in the nation's top private schools, as opposed to the watered-down pap that is being taught to students in our public schools, the author's tales of his actual experiences as a teacher in New York, and how the home-schooling ...

Chemistry Sets and Other Tools of the Devil. Mr. Gilbert had a very strong belief in the educational value of Science Kits. He felt that a wide variety of educational toys could bring out the engineer or scientist in any Boy and made a very broad array of kits to offer something that would have a special resonance with The Boy.
